

St. Ambrose School is pleased to announce the

Commemorative Improvement Project

Sponsored by the
Alumni of St. Ambrose School

As we continue to improve our church, school, parish grounds and entire campus , we are embarking on the first phase of a new project at St. Ambrose. Join so many other alumni, students, clergy, faculty, and friends of St. Ambrose and leave your permanent mark at the main doors to our school. Personalized brick pavers will be available for purchase and installation this summer, commemorating your time spent as a student at St. Ambrose, memorializing a loved one, presented as a gift, or given as a unique sentimental gesture that will create a lasting memory. The engraved bricks will be placed at the main doors to the school, welcoming all those who pass through, recognizing and acknowledging our long history of academic excellence. There will be a limited number of pavers available (300) and each paver will be offered at a cost of \$100.00. If you would like to be a part of this legacy and restoration, please complete the paver inscription form on the other side, and return to the Parish Office at your earliest convenience. All pavers will be randomly placed and of equal dimension. There will be a maximum 3 lines of text/16 characters per line, and four sample wordings will be available. Purchase will be on a first come, first serve basis, and each paver requires a separate paver inscription form.

We hope you decide to be a part of this *Commemorative Improvement Project* that honors someone special or is a lasting reminder of your time spent at St. Ambrose School.
